Responsibility statements

- [X] I am an author of this deliverable. I have not cheated in any way.
- [X] I have collaborated with my partners on producing this deliverable; in other words, neither have I ridden their coattails nor gobbled them up.
- [X] I have learnt from working on this deliverable, so that I can pass my control checks.
- [X] I have organised this deliverable according to the guidelines that are available in document "On your deliverables.pdf", which is available at the USE's e-learning platform.
- [X] I understand that my deliverable will be considered failed if I fail to meet any of its requirements, if I fail to submit it by the deadline, or if I do not deliver a filled copy of this form.
- [X] I understand that failing this deliverable might amount to failing the subject.
- [X] I understand that I must have a contingency plan and that submitting my deliverable very close to the deadline is likely to result in disaster.
